

Charlie

This weekend was one of the best experiences that Monica & I have had in a long time. Wish you could of hang with us last night, but you do have an excellent person to represent you. The food was out of this world and would love to share a future experience with you. Thank for the weekend Bunge could have picked a better staff to represent them.

If you are ever in Orlando look us up. It was great words alone couldn't explain

*Thanks a Bunch*

Sincerely Yours.  
Monica
